FACT FINDING REPORT OF POLICE ENCOUNTER IN NUH DISTRICT, HARYANA

In Nuh District of Haryana, a boy from Khadkhadi village - Munfaid @ Chauda s/o Islam - was killed in a police encounter on 16.09.2017. Munfaid was a 30 year old man, who is survived by his wife and a minor daughter 3 years old. Munfaid belonged to the Meo Community and was engaged in the profession of farming. The victim's father has in a written complaint to Police (see Annexure - 1) alleged that in the evening of 15/9/2017, his son called him and his father in law (Khurshid s/o Rehmat) to village Dekadi, PS Nuh. There Munfaid told them that CIA (Central Investigation Agency, Haryana)[1] Staff members namely, Vikrant, Shakti Singh, Satish and Siddharth had called him to Rewari to meet them, and have told Munfaid that they will close all the false cases registered against him if he does some work for them. The victim's father and Father in Law, in order to escape the everyday harassment by the police, advised Munfaid to do whatever the police are asking him to do. Thereafter, on the morning of 16.09.2016, the victim's father was informed that his son was shot at Kala Pahad ki Ghhati, Tauru Nuh Road at around 2-3 am. In his complaint, the father has alleged that the above named officials have conspired and murdered his son. He went to the Mortuary of Nuh Hospital, where he identified the dead body of his son.

However, in a blatant attempt to cover up the incident by the police, the FIR lodged by the Police, is not based on the complaint given by the victim's father. The FIR is infact based on the statement given by Inspector Mastana, CIA Staff, Nuh, Haryana. The FIR bearing No. 0358, dated 16.09.2017, filed at 10.39am, in PS Tauru, District Nuh, u/s 302, 201 IPC and Section 25 Arms Act, 1959, has been filed against unknown accused persons. (See Annexure 2). The FIR states that Inspector Mastana, came across a white pick up truck (registration number of the truck not mentioned in the FIR) in the middle of the road near an abandoned mining Kanta in Tauru Ghhati, where he found an unidentified person grievously injured. The victim was taken to Nalhad Hospital, Nuh, where he was declared dead. It was found that the person was shot in his neck by unknown people. The CIA Staff contacted the police station, and the FIR was thus registered.

The Post Mortem was conducted Shaheed Hasan Khan Mewati Govt Medical College on 16th September, 2017 at around 4:35 PM by a board consisting of three doctors and the post mortem process was videographed. As per the Post Mortem Report, a reddish contusion was found on the front right side of the chest and firearm entry wounds were found on the front right side of the neck. A deformed metallic bullet of size 1.5x1 cm was found over the right side of second thoracic vertebrae. The PM Report also states that along with the dead body, a black T-Shirt and a red baniyan were received, both of which were cut open from the front. After the Post Mortem, the police were handed over a sealed packet bearing two seals containing the bullet recovered from the body.

A Fact Finding on the alleged police encounter was conducted by members of a collective called Citizens Against Hate (CAH), on 17th September, 2017. The team comprised of Arif Mohd (a Nuh-based activist) Fawaz Shaheen (Quill Foundation), Mangla Verma (a Delhi-based lawyer), Salman Khan (a TISS Fellow) and Vipul Kumar (Quill Foundation). The members of the fact finding team met the victim's father and father-in-law and visited the scene of crime. Some interesting aspects that came up during their interaction with the family have been summarised below:

- The residents of village Rozkemeo informed the fact finding team that Munfaid was accompanied by his three friends when he had gone to meet the police officers, who saw Munfaid being shot by the police. The eye witnesses have informed the residents of the village that the police officers came in a green Bolero Car which stopped right infront of their vehicle. Munfaid who was sitting in a car with his three other friends was shot at by the officers.The three friends, scared for their own life and limb ran away from the spot and informed the villagers about the murder. The residents of the village also informed the fact finding team, that the eye witnesses perceiving a threat to their lives have not yet given a statement to the police and are currently in hiding.
- According to Islam Hussain, the victim's father, Munfaid was in constant touch with the police officers regarding a false case of rape that had been filed against him. He further stated that Munfaid from time to time, on the instruction of the police officers, used to carry out some work for them. On the eveining of 15th September

2017, the police officers were constantly calling Munfaid, asking him to do some work for them in return for taking out his name from the rape case against him. Khurshid, the father in law of the deceased mentioned the names of Vikrant and Shakti Singh, saying that Munfaid had even given one of them Rs 2000 a few days back to remove his name from the case.

- The residents of village Rozkemeo informed the fact finding team that the police had first taken the dead body of Munfaid to Nalhad Medical College Hospital, Nuh. It was here that he was declared dead by the doctors. Thereafter, the police pressurised the doctors there to conduct the post mortem. However, the doctors in Nalhad Hospital refused to conduct the post mortem on a unidentified body, because as per procedure, the post mortem on an unidentified body can be conducted only after 3 days. Thereafter, the police took the body to CHC, Nuh for the post mortem. The doctors in CHC, Nuh also refrained from conducting the post mortem and the police had to call a doctor from Palwal to conduct the post mortem. The residents say that the intention of the police was to conduct the post mortem before the deceased's family members could arrive to enable the police to tamper with the evidence present on the body of the deceased.
- Islam, Munfaid's father has alleged that the doctor along with the police officers were trying to tamper with the dead body of Munfaid, with an intention to erase evidence. He saw them tearing the clothes present on Munfaid's body and trying to remove something from his body. When he objected, he was abused and asked to leave the room.
- The victim's father at around 3:00 PM gave a written statement to the police, wherein he has named 6 CIA Staff members. The SP, Mewat assured him that an FIR will be lodged on the basis of his statement. When the fact finding team met Islam, he was not sure if his statement had been converted into an FIR. It was infact the fact finding team who apprised the victim's father of the fact that the FIR had already been lodged by the police at 10:39 AM on 16.09.2017 on the basis of the statement given by Inspector Mastana, CIA, Nuh and that his statement is not a part of the FIR, nor has a separate FIR been lodged on the basis of his statement.

This is not the only case of police encounter in Nuh. The past few years has seen a surge in cases of extra judicial killings of muslim youths by police in Nuh and Faridabad Districts of Haryana. These are mostly on the suspicion of them being criminals. A recently published fact finding report called "Lynching Without End", by Citizens Against Hate, looks at religiously motivated vigilante violence in India. The Report states that a rapid listing of police encounter cases led to the identification of 11 such cases involving 15 deceased, in Nuh district alone. The list of 11 cases of encounters in Nuh District identified in the report 'Lynching Without End' has been presented in Annexure - 3.

TESTIMONIES OF THE FAMILY MEMBERS:

Since the incident had taken place a day prior to our visit, the family members were grief stricken, demanding justice for the cold blooded murder of their son. The testimonies of the family members of the deceased have been recorded below:

Islam Hussain s/o Hussain Khan, (father of the victim), R/o Village Khadkhadi, District Nuh.

Figure 3: Fact Finding team with Islam (Father of the deceased)

Islam Hussain told the fact finding team that a false case of raping a 17 year old minor girl was filed against his son Munfaid and Anis by a resident of his village. An FIR u/s 6 POCSO and Section 506 IPC was filed on 30.05.2017 in Women P.S., Mewat, against Munfaid and Anis. According to Munfaid's father, pursuant to the FIR being lodged, Munfaid was residing in Village Dekadi at his relative's place. According to his father, Munfaid was in constant touch with the police officers regarding his case and from time to time, on the instruction of the police officers, used to carry out some work for them. On the evening of 15th September, 2017, Munfaid's father and his Father in Law had gone to Dekadi village to meet Munfaid. The victim's father further stated that while they were interacting with Munfaid, he was getting constant calls from the police. It was then that Munfaid told them about the that CIA Staff members namely, Vikrant, Shakti Singh, Satish and Siddharth had called him to Rewari to meet them, and have told Munfaid that they will close all the false cases registered against him if he does some work for them. The victim's father and Father in Law, in order to escape the everyday harassment by the police, advised Munfaid to do whatever the police are asking him to do. They last saw Munfaid at around 5 in the evenong when he left to go to Rewari to meet the police officers. Thereafter, at around 6:00-6:30 am on 16th September, 2017, the family of Munfaid got to know from villagers that his son has been murdered. At around 8.00-8.30 am they reached the Community Health Centre (CHC) Nuh, where Munfaid's body was kept.

Munfaid's father further told the fact finding team that when they reached the room in the Mortuary, they saw a few doctors and a group of police men standing next to the stretcher on which Munfaid's body was kept. Munfaid's father has alleged that the doctor along with the police were trying to tamper with the dead body with an intention to erase evidence. He was them tearing the clothes present on Munfaid's body and trying to remove something from his body. When Munfaid's father objected, he was abused and asked to leave the room. After 20 minutes, when Munfaid's father came back to the Mortuary room with his

advocate, the police officers and the doctor started locking the room and running away. While leaving the doctor told Munfaid's father that he was not involved in anything and that the police had called him there.

Thereafter, a police force of about 250 police officers were deployed in CHC, Nuh as the people from the nearby villages had gathered at the CHC demanding a fair investigation in the case. At around 3.00 PM the Superintendent of Police, Ms. Nazneen Bhasin visited the CHC and assured the family of Munfaid of a fair investigation in the case. She further assured the family that if the police officers are found to be involved in the murder, they will be suspended and arrested. The victim's father at around 3:00 PM gave a written statement to the police, who assured him that an FIR will be lodged on the basis of his statement. When the fact finding team met Islam, he was not sure if his statement had been converted into an FIR. It was infact the fact finding team who apprised the victim's father of the fact that the FIR had already been lodged by the police at 10:39 AM on 16.09.2017 on the basis of the statement given by Inspector Mastana, CIA, Nuh and that his statement is not a part of the FIR.

Khurshid s/o Rehmat, (father in law of the deceased) R/o Village Rojkameo, District Nuh.

Figure 4: Fact Finding Team with Khurshid (Father in Law of the deceased)

According to Munafiad's father-in-law Khurshid, on Friday, 15th September 2017, he and Munfaid's father Islam Hussain had gone to meet Munfaid, who was then staying at his maternal uncle's house in Dekadi village. There he noticed that Munfaid was constantly getting phone calls, which Munfaid said were from police officials. According to Munfaid, they were asking him to do some work for him in return for taking out his name from the criminal case against him. Khurshid mentioned the names of Vikrant and Shakti Singh, saying that Munfaid had even given one of them Rs 2000 a few days back to remove his name from the case.

Khurshid and Islam both urged Munfaid to meet the police officials and try to get his name removed. At around 5-5:30 pm, Munfaid accordingly left for Rewadi village to meet the officers. After this, Khurshid did not hear anything of Munfaid till the next morning, when relatives from Munfaid's village called him to say that he had been killed. Khurshid also told the fact finding team, that the personal belongings of Munfaid that he was carrying with

himself such as his phone, wallet etc were not returned to the family and the family is unaware if the personal belongings are with the police or were not found on the body.

Information given by residents of Village Rojkameo, District Nuh:

When the fact finding team met Khurshid, the father in law of the deceased, the residents of the village informed the team that the police had first taken the dead body of Munfaid to Nalhad Medical College Hospital, Nuh. It was here that he was declared dead by the doctors. Thereafter, the police pressurised the doctors there to conduct the post mortem. However, the doctors in Nalhad Hospital refused to conduct the post mortem on a unidentified body, because as per procedure, the post mortem on an unidentified body can be conducted only after 3 days. Thereafter, the police took the body to CHC, Nuh for the post mortem. The doctors in CHC, Nuh also refrained from conducting the post mortem and the police had to call a doctor from Palwal to conduct the post mortem. The residents say that the intention of the police was to conduct the post mortem before the deceased's family members could arrive to enable the police to tamper with the evidence present on the body of the deceased.

The residents also informed the fact finding team that there are three eye witnesses to the murder of Munfaid. These eye witnesses are the friends of Munfaid who had accompanied him to meet the police officers. The eye witnesses have informed the residents of the village that the police officers came in a green Bolero Car which stopped right infront of their vehicle. Munfaid who was sitting in a car with his three other friends was shot at by the officers. The three friends, scared for their own life and limb ran away from the spot and informed the villagers about the murder. The residents of the village also informed the fact finding team, that the eye witnesses perceiving a threat to their lives have not yet given a statement to the police and are currently in hiding.

Statements of villagers from Sonkh village (near the site where body was allegedly found by police)

According to the Police version, Munfaid's body was found in a white pick up truck in the middle of the road near an abandoned mining kanta in Tauru Ghati. The place is basically on a short stretch of road running along a hill on the way from Nuh to Tauru, just after Shonk village (district Nuh). On reaching the place, we found that the road had been closed off just after Shonk village on the orders of Haryana government for repair and road construction. The people manning the check post there said that no cars were being allowed to go through. On being asked about the site where the incident happened, they said that the location was just a short distance before the other checkpost where the road block ended.

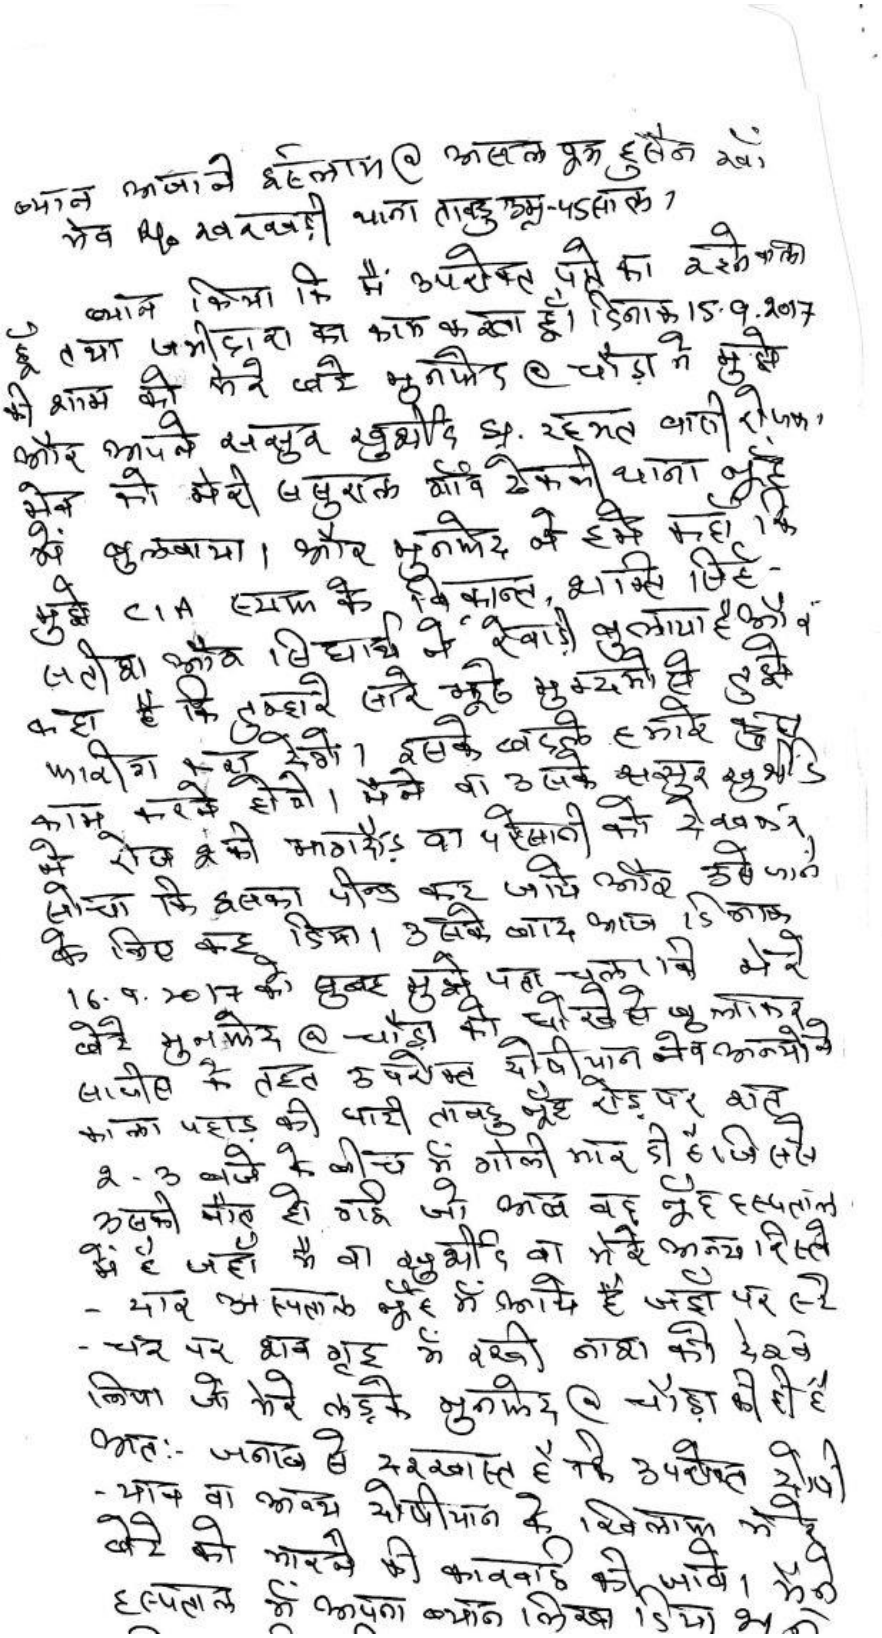

Villagers in Sonkh said that on the night of 15th September a Bolero with police lights had rushed past the village in the direction of the alleged site of the incident just after 12 am. The next morning between 6-7 am a PCR vehicle had also gone in the same direction.

RECOMMENDATIONS:

- An FIR should be registered by the police based on the statement given by the deceased's father.
- The four CIA Staff Members named by the deceased's father in his statement should be immediately suspended, arrested and along with criminal prosecution, a departmental inquiry should be instituted against them.
- The guidelines laid down by the Hon'ble Supreme Court of India, in *People's Union for Civil Liberties & Anr. Vs. State of Maharashtra & Ors* [Criminal Appeal No. 1255 of 1999] for investigation of police encounters should be followed by the police as the standard procedure for thorough, effective and independent investigation.
- The family of the deceased and the three eye witnesses should be immediately provided witness protection.
- The family of the deceased should be provided compensation according to the provisions laid down in CrPC.
